An eagle settles down  
To make a large and soft nest  
She sits to lay eggs.  
*By Tommy Vang*

It was so pretty  
It was so fun walking there  
It was so awesome

The awesome glasses  
Can see through the big cool glass  
A nice perfection.  
*By Jayson Yang*

I went on a terrible  
Walk I did like but  
It was fun and tiring and  
Was outstanding if I  
Say for my health I  
Was thirsty  
*By Danny Lee*

It was so awesome  
They had lots of awesome trees  
The forest was cool

It was a cool day outside  
The birds were chirping the trees were  
rustling  
Everything was going great just like I  
thought  
But what about the kids; what are they  
going to do

The neat things that we got to see, the  
things that we got to do, it was all so fun

and the trees were so cool including the  
forest full of animals and full of plants  
that were made into medicines or made to  
eat. Think about showing your family  
what you saw was a very good idea but  
you can't show them, cause they won't let  
you.

I hit the ball hard.  
When I dropped the bat I ran.  
I scored a home run.  
*By Ameen*

We went walking  
It was boring, I want to turn back  
At least we got to eat.

By the Lake  
*By Cheadle Vue*  
The day was cold  
Wind blew so strong  
It blew him off his feet  
As he ran next to the lake.

That day was boring  
We went to fish for turtles  
But got wet instead  
*By Ridwan*

The sun is so cool  
It gives us light to see things  
It goes down at night
